\*1. The proposed garage and necessary access driveway would, by virtue of their location and alignment threaten the retention of an Oak tree protected by a Tree Preservation Order directly as a result of damage and disturbance to the tree's root system. The proposal is therefore contrary to Test Valley Borough Local Plan policy DES08. 2. The proposed garage would, by virtue of its siting be overly prominent within the street scene which would detract from the appearance of the surrounding area, and therefore would be detrimental to the visual amenities of the area. As such the proposal is contrary to Test Valley Borough Local Plan policies DES02, DES05, DES07 and DES10.

3. The proposed garage and necessary access driveway would, by virtue of its position and layout, have a detrimental impact upon the safety of highway users. As such the proposal is contrary to Test Valley Borough Local Plan policies TRA05 and TRA09.

Fell two Douglas Fir and one Cypress. Prune one Oak tree.

**3 TEST VALLEY BOROUGH COUNCIL STRATEGIC HOUSING LAND AVAILABILITY ASSESSMENT 2009 DRAFT FOR CONSULTATION.**

**4 OTHER BUSINESS**

The Locum Clerk.

**AB**

---

Public participation at this meeting: 10 in connection with planning application 94432/09 Glen Cairn neighbour; 1 in connection with planning application 09/01879/FULLS Homelands and 1 in connection with the roadside verge outside the school. The road is being eroded away where cars are parking on the verges, the edge is now dangerous for cyclists. Something is needed to deter the parking such as dragon's teeth and also white lines to aid parking. AG to take to TVBC. **AG**
